

The Kirkies

Crossing Kirkland's award for inspiring creative and original ways of traversing the Cross Kirkland Corridor.

What is this? In 2018 the organizers of Crossing Kirkland will present awards to individuals and groups who are most creative in their approaches to *crossing* Kirkland via the CKC. The most inventive and original entrants will be judged and awarded prizes at Crossing Kirkland Station 1 at the Feriton Spur, near the Google Campus.

Who can enter? Anyone. Groups are encouraged. Gather a team from your scout troop, your school, your block, your book club or your company. Or let your creative self shine and do it on your own. Come up with an idea. Surprise and delight us with your originality. Each entry must traverse at least 2 stations of Crossing Kirkland, including Station 1 at Feriton Spur (Google). [Please register for free here.](#)

When is it? Crossing Kirkland will be held on Saturday, Sept. 8, 2018 from 11am to 4pm. In order to win a Kirkie you must officially register by August 15. Winners will be announced between 3-4pm.

Why should I participate? You mean, besides being the envy of your neighbors and relishing in the admiration of all who see your creation? Prizes will be awarded in a variety of categories including **Best Under 12** (average age of participants is 12 and under), **Most Original Bicycle-Based** entry, **Best Reuse of Recycled Materials**, and **Longest Distance Traversed**.

What sort of entrants might there be? Your imagination is the limit. Bling out your bicycle? Get some help from animals? Assemble your organization in costume? There are only a few requirements:

- Only non-motorized entries are allowed
- The width of your entry, all in, must be no more than eight feet
- No printed words, but organization or company logos are OK
- No fire or actual weapons
